#### Result of Non Life business

- > Strong improvements in BRAZIL, NORTH AMERICA and LATAM NORTH
- ) Higher large and NatCat claims affecting reinsurance and global risks
- ) Higher realized gains

#### Result of Life business

- > BRAZIL: lower result due to reversal of unexpired risk provision in 2018
- > IBERIA: positive evolution due to higher realized gains, inclusion of Caja Granada Vida and Caja Murcia Vida business during 2019, as well as a higher impact of Life actuarial table updating during 2018

#### Result of Other Activities

- > Restructuring charges and lower operating results at MAPFRE ASISTENCIA
- ) Increased investment in strategic initiatives across the Group, mainly digitalization and innovation
- **)** Lower financial result due to an increase in debt, as well as lower financial income in LATAM, mainly in Brazil

#### Taxes

- ) IBERIA: positive extraordinary tax impact
- > BRAZIL: reduction in corporate tax rate

## MAPFRE's commitment to sustainability

#### **United Nations (UN) Global Compact**

- UN Environment Programme Finance Initiative (UNEPFI)
- Principles for Sustainable Insurance (PSI)
- Paris Pledge for Action
- UN Principles for Responsible Investment (PRI)
- UN 2030 agenda Sustainable Development Goals & Human Rights

#### **Environment**

- MAPFRE companies in IBERIA will be carbon neutral in 2021, worldwide by 2030
- We will not insure construction of new electricity generation plants that are coal-fired, or new mines

#### **Employment & diversity**

- Permanent contracts: 97% of >30,000 employees worldwide
- Vacancies in positions of responsibility covered by women:
   48.3% in 2019 (45% by 2021)
- Share of workforce with disabilities: 2.9% in 2019 (3% by 2021)
- Work-life balance and career development

## Sustainable investing & financing

- ≈90% of investment portfolio with high & very high ESG ratings
- No investment in companies with 30% or more of their revenues from coal-fired energy sources
- Recent launch of MAPFRE Inclusión Responsable (listed as best practice in the United Nations Global Compact)
- Syndicated credit line (€1 bn) converted into sustainable loan

## **IBERIA**

#### Key highlights

Million euros

- **)** Excellent premium growth:
  - Motor: good growth, both in retail and fleets
  - General P&C: driven by Homeowners (+4.8%) and Condominiums (+8.5%)
  - Life: solid growth in Life-Protection (+10%), offset by lower sales of Savings products due to interest rate environment

#### Key highlights (continued)

- Motor combined ratio:
  - Excellent level in a competitive market with pricing pressure
  - Rising frequency of material damage claims, as well as severity, due to higher vehicle repair costs
- **)** General P&C combined ratio: solid improvement thanks to Homeowners and Commercial lines, despite severe rain and storms in 2H (€23 mn pre-tax impact)
- Increase in Life-Savings result due to:
  - Higher realized gains, mainly driven by asset sales from surrenders
  - Inclusion of new Bankia subsidiaries during 2019
  - Higher impact of Life actuarial table updating during 2018 (€11.6 mn in 2019 vs. €34.5 in 2018)
- Portugal: improved combined ratio, fall in attributable result due to lower realized gains (€7.2 mn net impact in 2018 from sale of real estate)
- Pre-tax realized gains: €117.7 mn in 2019 vs. €108.5 mn in 2018
- Positive extraordinary tax impact

12

## **BRAZIL**

#### **Key figures**

|                 | 12M 2019 | Δ      | 12M 2019            | Δ      | 12M 2019 | Δ        |
| Total           | 3,977.5  | 0.1%   | 97.0                | 79.1%  |          |          |
| of which:       |          |        |                     |        |          |          |
| Motor           | 842.7    | -16.9% | -18.8               | 66.4%  | 107.5%   | -7.2 p.p |
| General P&C     | 1,629.6  | 1.9%   | 66.6                | 46.4%  | 77.9%    | -2.9 p.p |
| Life-Protection | 1,400.4  | 11.8%  | 48.8                | -15.2% | 84.0%    | 7.8 p.p  |

#### Key highlights

- Fall in Brazilian real average exchange rates (-1.9%)
- Strong growth in the Life-Protection business, driven by the bancassurance channel
- Positive premium developments in the Agricultural segment, helping to offset the fall in Motor, as a result of greater underwriting discipline and cancellation of loss making contracts
- General P&C (€66.6 mn in 2019 vs. €45.5 mn in 2018): improving trends in Multi-peril and Agricultural segments

## Key highlights (continued)

- ) Motor (-€18.8 mn in 2019 vs. -€56.0 mn in 2018):
  - Absence of extraordinary negative adjustments (-€22 mn net impact in 2018)
  - Reduction in combined ratio, thanks to technical measures, portfolio clean-up and cost containment
- Life-Protection (€48.8 mn in 2019 vs. €57.6 mn in 2018):
  - Non-recurring reversal of unexpired risk provision in 2018 (€17.8 mn net impact in 2018)
  - Growth in premiums helping to offset increase in acquisition expenses for Life-Protection in bancassurance channel
- Taxes: lower corporate tax rate
- Relatively stable financial income, due to resilient portfolio yields

#### LATAM NORTH

| Key highlights | Dominican Rep.  | 149.4    | 13.9% | 11.7                | 25.3% | 86.2%          | -1.8 p.p |

- > Tailwinds from all main currencies (Mexican peso +4.7%, Panamanian balboa +5.4%, Dominican peso +1.7%)
- > Continuous development of multichannel approach, reaching several agreements with financial institutions and banks
- ) Mexico:
  - Solid local currency growth in main lines of business (+16.2%, excluding €449 mn multi-year PEMEX policy), especially the Life and Property segments
  - > Significant reduction of Motor combined ratio (94.7% in 2019 vs. 100.9% in 2018), thanks to tariff and risk selection measures
- Central America:
  - Panama: improvement in the combined ratio in main business lines, driven by technical measures, as well as tariff increases in Health
  - > Solid growth and profitability trends in Honduras, Guatemala and El Salvador
- ) Dominican Republic: good local currency growth (+12%) and outstanding technical performance in Life-Protection and General P&C

## Key highlights

- Excellent local currency trends in main markets, with volatility from exchange rate movements
- Continuing development of bancassurance operations as well as agreements with car manufacturers across the region

## Key highlights (continued)

- Peru: premiums up +8% in local currency, with noteworthy growth in Life-Savings. Uptick in combined ratio in Motor, Non-Motor and Life-Protection
- Colombia: excellent financial performance due to proactive ALM measures in annuity run-off portfolio and improving combined ratio in General P&C, helping to offset a slight increase in Motor
- Chile: resilient underlying results, considering realized gains in 2018 from the sale of a property (€25 mn post-tax). Impact of riots in 2019 (-€3.7 mn post-tax) and higher combined ratio in Motor
- Argentina: premiums impacted by average exchange rates (-35.7%). Strong financial income, helping to mitigate combined ratio performance
- Strong profit contribution from Uruguay and Paraguay

- ) Impact of dollar appreciation on average exchange rates (+5.3%)
- Fall in premiums in local currency (-8.7%) in North America as a result of the 2018 exit from five states, and other measures applied in the Non-Northeast region
- Increase in attributable result (+€49 mn) in the United States, due to:
  - ) measures implemented in Personal Motor, including tariff increases & cancellation of non-performing business
  - ) lower weather-related losses, mainly in Homeowners (-€11.7 mn extraordinary impact in 2018)
  - ) extraordinary impacts from reorganization of operations<sup>(1)</sup> (-€7.2 mn in 2018 vs. €12.8 mn in 2019)
- > Puerto Rico: excellent technical result

<sup>(1)</sup> Exit from five states in 2018; extraordinary net financial gains in 2019 (€20.9 mn) and restructuring expenses and exit from Commercial lines outside of Massachusetts (-€8.1 mn)

#### **EURASIA**

## Key figures

|           | Premiums |       | Attributab | le result | Combined ratio |          |
|-----------|----------|-------|------------|-----------|----------------|----------|
|           | 12M 2019 | Δ     | 12M 2019   | Δ         | 12M 2019       | Δ        |
| EURASIA   | 1,695.5  | -4.0% | 15.1       | 21.0%     | 106.1%         | -0.6 p.p |
| of which: |          |       |            |           |                |          |
| Italy     | 470.9    | -0.7% | -1.5       | 60.9%     | 106.0%         | -3.0 p.p |
| Turkey    | 448.3    | -7.7% | 7.2        | -49.6%    | 113.5%         | 1.2 p.p  |
| Malta     | 357.3    | -8.3% | 4.9        | 12.7%     | 90.3%          | -2.6 p.p |
| Germany   | 342.7    | 4.7%  | 5.8        | 115.3%    | 98.7%          | 0.1 p.p  |
|           |          |       |            |           |                |          |

- Italy: strong improvement in the combined ratio and local accounting net profits of €2.1 mn at year end
- **>** Turkey:
  - > Fall in Turkish lira average exchange rates (-13.1%)
  - > Local currency premium growth (+6.2%) below current inflation levels due to strict underwriting policy in MTPL
  - > Fall in attributable result to €7.2 mn vs. €14.2 mn in 2018:
    - High combined ratio in Motor driven by the impact of MTPL regulation on Turkish Motor tariffs as well as higher claims from the compulsory "High Risk MTPL Pool"
    - Negative impact of inflation and currency depreciation on spare parts and other claim costs, which is also impacting Non-Motor lines
- > Germany: strong premium growth trends with a stable combined ratio
- Malta: strong improvement in combined ratio

|                     |       | Transport                  | 2.4%  |  |

<sup>\*2018</sup> figures have been restated on a like for like basis, including the information for GLOBAL RISKS

- **>** Premium growth resulting from:
  - higher participation in business from key clients
  - one large Group transaction
  - ) currency effects
- Lower premiums in the global risks segment due to transfer of European facultative business to MAPFRE RE, which mitigated strong rate increases on the retained business
- Combined ratio impacted by several large claims, exceeding annual large loss budget, as well as higher attritional claims frequency. Pre-tax impacts of the most relevant claims:
  - ) Japanese typhoons: -€151.5
  - > Riots in Chile: -€28.5
  - Other large claims: -€79.9 mn (-€65.4 mn in 2018)
  - ) Impact of Brazilian drought: -€14.7 mn
- Pre-tax net financial gains of €60.2 mn (€35.7 mn at 12M 2018)

# MAPFRE RE (II/II)

#### January renewals – Non Group Reinsurance

- More than 75% of Non-Group Treaty premiums up for renewal
- Over 10% increase in estimated premiums, in line with our growth plan
- Better underwriting profitability: risk-adjusted improvement in Terms and Conditions
- Enhanced portfolio diversification by line of business (Motor, Life and Credit & Bonds)
- Retro: successful renewal, with optimized structure and keeping longstanding support from key counterparties in a challenging environment

#### Key highlights

20

- ) Updating of business forecasts for the assistance and special risks businesses in the United Kingdom and North America, due to:
  - Socioeconomic backdrop and uncertainty in the United Kingdom
  - New business scenario in North America, with a lack of scale in roadside assistance, while streamlining operations
- Provision for geographic reorganization in several countries (-€10 mn net impact)
- Good performance of InsureandGo in Australia and Ireland
- ) Good result of operations in LATAM

## Wrap up

- Insurance business (€806 mn net result, +17.7%) > outstanding performance with combined ratio of 96.5%
  - IBERIA (€498 mn, +3.6%) > positive premium and profitability trends, in a very competitive market
  - LATAM (€215 mn, +36.9%) > profitable growth, with outstanding performance in Mexico and successful strategy implementation in Brazil
  - INTERNATIONAL (€94 mn, +97.6%) > improving results in USA, Germany and Italy, on the right path to meeting targets
- MAPFRE RE > continuing to generate attractive returns, reducing exposures in the global risks segment in order to lower volatility
- Focus on technical excellence and profitable growth, supported by resilient investment portfolio > delivering results in a challenging environment
- **Transformation process>** investing in innovation and digitalization and streamlining operations to increase efficiency
  - **Shareholder value creation >** strong financial position and dividend payment capacity

# Terminology

| Revenue  | Top line figure which includes premiums, financial income, and revenue from non-insurance entities and other revenue  |
|--|---|
| Combined ratio – Non-Life                        | Expense ratio + Loss ratio  |
| Expense ratio – Non-Life                         | (Operating expenses, net of reinsurance – other technical revenue + other technical expenses) / Net premiums earned   |
| Loss ratio – Non-Life                            | (Net claims incurred + variation in other technical reserves + profit sharing and returned premiums) / Net premiums earned  |
| Result of Non-Life business                      | Includes technical result, financial result and other non-technical result of the Non-Life business   |
| Result of Life business                          | Includes technical result, financial result and other non-technical result of the Life business   |
| Corporate Areas and Consolidation<br>Adjustments | Includes expenses from Corporate Areas, consolidation adjustments, as well the result attributable to MAPFRE RE and MAPFRE INTERNACIONAL's non-controlling interests and other concepts                         |
| Other business activities                        | Includes the Group's non-insurance activities undertaken by the insurance subsidiaries, as well as by other subsidiaries, including activities of the holding companies of MAPFRE S.A. and MAPFRE INTERNACIONAL |
| Solvency II ratio                                | Eligible Own Funds (EOF) / Solvency Capital Requirement (SCR)   |
| ROE (Return on Equity)                           | (Attributable result for the last twelve months) / (Arithmetic mean of equity attributable to the controlling company at the beginning and closing of the period (twelve months))                               |
| Other investments                                | Includes interest rate swaps, investments in associates, accepted reinsurance deposits and others   |

# Disclaimer

This document is purely informative. Its content does not constitute, nor can it be interpreted as, an offer or an invitation to sell, exchange or buy, and it is not binding on the issuer in any way. The information about the plans of the Company, its development, its results and its dividends represents a simple forecast whose formulation does not represent a guarantee with respect to the future performance of the Company or the achievement of its targets or estimated results. The recipients of this information must be aware that the preparation of these forecasts is based on assumptions and estimates, which are subject to a high degree of uncertainty, and that, due to multiple factors, future results may differ materially from expected results. Among such factors, the following are worth highlighting: the development of the insurance market and the general economic situation of those countries where the Group operates; circumstances which may affect the competitiveness of insurance products and services; changes in the basis of calculation of mortality and morbidity tables which may affect the insurance activities of the Life and Health segments; frequency and severity of claims covered; effectiveness of the Groups reinsurance policies and fluctuations in the cost and availability of covers offered by third party reinsurers; changes in the legal environment; adverse legal actions; changes in monetary policy; variations in interest rates and exchange rates; fluctuations in liquidity and the value and profitability of assets which make up the investment portfolio; restrictions in the access to third party financing.

MAPFRE S.A. does not undertake to update or revise periodically the content of this document.

Certain numerical figures included in the Investor Presentation have been rounded. Therefore, discrepancies in tables between totals and the sums of the amounts listed may occur due to such rounding.
