Sustainability Plan

2022-2024

90 ANOS **MAPFRE**

Sustainability is strategic for MAPFRE, and fully integrated into the business

Reaching 99.6% compliance of the Sustainability Plan in the first year

—

Main public commitments:

2024: emission neutrality for core countries

2030: global neutrality

- Inclusive labor policies: people with disabilities making up 3.5% of the workforce
- 100% of providers in the MAPFRE Auto, Homeowners, Health and procurement network approved with ESG criteria in the main countries
- We will not invest in or insure coal, gas and oil companies without an energy transition plan
- Remuneration linked to compliance with sustainability commitments
- 90% ESG-rated investment portfolio in 2024
- Gender pay-gap +/- 1% by 2024

90 YEARS **MAPFRE**

In a challenging market context

MAPFRE has faced many challenges during 2022 . . .

- 🦠 Covid-19 post-pandemic environment
- 📦 Inflation and supply chain disruption
- 📈 Rising interest rates and market volatility
- 🌐 Ongoing geopolitical risk
- 🚗 Pressure on margins in Motor markets

. . . supported by a solid business model and balance sheet strength

- 🌐 Diversification based on three pillars: geography, product and balance sheet
- 🏆 Leading market positions
- 🌟 Technical excellence
- 🔄 Streamlined business
- 👑 Financial strength and cash generation
- 🏛️ Prudent investment and ALM strategies

2022 highlights

We have met significant milestones in 2022 ...

- **Solid premium growth** – resilient trends in Spain, strong performance in LATAM and rising reinsurance rates
- Strong profit contribution from **IBERIA (>€375 mn)** despite difficult Motor context
- Turnaround in **LATAM** with **>€300 mn (+€145 mn yoy)** profit contribution
- Solid contribution from **MAPFRE RE (>€140 mn)** despite a costly NatCat year
- **Technical performance in Non-Motor** – helped offset Motor headwinds
- **Higher underlying financial income**, especially in LATAM
- **Transformation** – main restructuring goals have been achieved
- **Solvency II historic high** – well positioned to weather uncertainty and leverage growth opportunities

... while we need to continue focusing on:

- Implementing the initiatives of our 2022-24 Strategic Plan
- Improving Motor profitability
- Applying a cautious approach in businesses where we have limited risk appetite
- Continuing to leverage growth opportunities

Disclaimer

This document is purely informative. Its content does not constitute, nor can it be interpreted as, an offer or an invitation to sell, exchange or buy, and it is not binding on the issuer in any way. The information about the plans of the Company, its evolution, its results and its dividends represents a simple forecast whose formulation does not represent a guarantee with respect to the future performance of the Company or the achievement of its targets or estimated results. The recipients of this information must be aware that the preparation of these forecasts is based on assumptions and estimates, which are subject to a high degree of uncertainty, and that, due to multiple factors, future results may differ materially from expected results. Among such factors, the following are worth highlighting: the development of the insurance market and the general economic situation of those countries where the Group operates; circumstances which may affect the competitiveness of insurance products and services; changes in the basis of calculation of mortality and morbidity tables which may affect the insurance activities of the Life and Health segments; frequency and severity of claims covered; effectiveness of the Groups reinsurance policies and fluctuations in the cost and availability of covers offered by third party reinsurers; changes in the legal environment; adverse legal actions; changes in monetary policy; variations in interest rates and exchange rates; fluctuations in liquidity and the value and profitability of assets which make up the investment portfolio; restrictions in the access to third party financing.

MAPFRE S.A. does not undertake to update or revise periodically the content of this document.

Certain numerical figures included in the Investor Presentation have been rounded. Therefore, discrepancies in tables between totals and the sums of the amounts listed may occur due to such rounding.
