Shareholders holding fewer shares than the required minimum may pool their shares to reach at least the specified number, appointing one of the members of the group as a representative, or delegating their representation and voting remotely prior to the Annual General Meeting, under the terms outlined below.

IN-PERSON ATTENDANCE AT THE ANNUAL GENERAL MEETING

To attend the Annual General Meeting, shareholders must obtain the attendance card issued by the depository institutions or that the Company makes available to shareholders on its corporate website (www.mapfre.com) in the section concerning the Annual General Meeting.

Shareholders attending in person (or their representatives) must duly identify themselves to the MAPFRE services prior to the Annual General Meeting.

TELEMATIC ATTENDANCE AT THE ANNUAL GENERAL MEETING

The Board of Directors, pursuant to the authorization granted by Articles 8 bis and 16 of the Regulations for the Annual General Meeting, has authorized the following procedure for telematic attendance at the Annual General Meeting.

➤ Prior registration of shareholders and representatives

The Company will enable the Telematic Attendance Platform in the "Annual General Meeting" section of the "Shareholders and Investors" area of its corporate website (www.mapfre.com), where instructions for remotely attending the Annual General Meeting will also be available.

Shareholders (or their representatives) who wish to attend the Annual General Meeting telematically must register on the Telematic Attendance Platform between 8:00 a.m. and 11:30 a.m. on the day of the Annual General Meeting (i.e. Friday, March 14, 2025, for the first call and, where appropriate, on the following day, Saturday, March 15, 2025, for the second call). After 11:30 a.m., no registrations for telematic attendance will be accepted.

Shareholders (or their representatives) must verify their identity using: (i) a valid electronic National Identity Document (DNI); (ii) a valid electronic certificate issued by the National Mint and Stamp Factory (*Fábrica Nacional de la Moneda y Timbre*, FNMT), with no revocation record; or (iii) the username/password credentials that the shareholder will receive from the Company at the email address provided when completing the credentials request form, available on the Telematic Attendance Platform, after their identity is verified. The Company reserves the right to request any additional means of identification from shareholders (or their representatives) as it deems necessary to verify their status

as shareholders or representatives and to ensure the authenticity of the vote or proxy.

In order for legal entities with shareholder status to be able to register on the Telematic Attendance Platform and attend the Annual General Meeting remotely, the proxy who will complete the registration process on behalf of said shareholders must first prove their representation and identity. To do so, they must send the attendance card issued in the name of said shareholders by the Company or by the depository institution, duly completed and signed, along with a copy of the official document accrediting the proxy's identity and a copy of the document certifying the power that allows them to act on behalf of said shareholders, to the attention of the General Counsel, Carretera de Pozuelo, No. 52, Building 1, 28222, Majadahonda, Madrid, Spain, or to the email address juntageneral@mapfre.com at least 24 hours before the Meeting is held on the first call. Upon receipt and verification of the documentation, the proxy may register and attend the Annual General Meeting telematically provided that they meet the access and identification requirements set out in this meeting notice.

In order for the representative to be able to attend the Annual General Meeting remotely, the proxy (unless the proxy has been authorized by electronic means) and the identity of the representative to the Company must be accredited by means of sending the proxy voting card issued by the Company or by the depository institution, duly completed and signed by the shareholder, along with a copy of the official document certifying the identity of the representative. The Company must receive such documents to the attention of the General Counsel at Carretera de Pozuelo, No. 52, Building 1, 28222, Majadahonda, Madrid, Spain, or sent to the email address juntageneral@mapfre.com at least 24 hours before the Meeting is held on the first call.

In addition to the aforementioned verification, representatives must also register on the Telematic Attendance Platform and authenticate themselves as remote attendees under the same terms as the shareholders.

Once the shareholder (or their representative) has accessed the Telematic Attendance Platform, they may attend and vote in the Annual General Meeting through real-time remote means of communication. Likewise, people who attend telematically may follow the Annual General Meeting's entire agenda, which will be broadcast in real time through the Company's corporate website www.mapfre.com, without prejudice to its recording and public dissemination through that page.

Shareholders' telematic attendance shall be equivalent to in-person attendance at the Annual General Meeting.

In the event that the Annual General Meeting cannot be held on the first call due to a lack of quorum, shareholders (or their representatives) must complete the registration process again in order to register as an attendee of the Annual General Meeting on the second call.

➤ **Exercise by the shareholders (or their representatives) of their rights to intervention, information, proposal and voting via telematic attendance**

- Rights of intervention, information and proposal

Shareholders (or their representatives) who attend the Annual General Meeting telematically and who wish to speak at the Annual General Meeting, to request any information or clarifications that they deem necessary regarding the matters on the agenda, regarding the publicly accessible information that the Company has provided to the National Securities Market Commission since the last Annual General Meeting, or concerning the Audit Report, shall indicate, where appropriate, their intention to do so at the time of registration as provided for in the Telematic Attendance Platform.

Interventions, requests for information or clarifications, and, where appropriate, proposals, shall be sent in writing through the link established for this purpose in the Telematic Attendance Platform from the time of registration and until the time for discussion is closed, which shall be indicated in due course during the Annual General Meeting.

In the event that shareholders (or their representatives) wish for their intervention to be recorded in the meeting minutes, they must so state clearly and expressly in the heading of their written notification.

Requests for information or clarifications from shareholders (or their representatives) who attend telematically shall be answered verbally during the Annual General Meeting or in writing, within the seven days of the meeting having been held.

- Voting rights

Shareholders (or their representatives) who attend the Annual General Meeting in a telematic manner may exercise their right to vote through the voting form available for this purpose in the Telematic Attendance Platform, from the time of registration to the time when voting on the proposed resolutions is completed during the Annual General Meeting, which will be indicated in due course during the meeting.

➤ **Other matters**

- Revocation and priority rules: in-person or telematic attendance by shareholders shall prevail over votes cast remotely and proxies granted prior to the holding of the Annual General Meeting.

- The Company reserves the right to modify, suspend, cancel, or restrict telematic attendance mechanisms for the Annual General Meeting, as well as to temporarily suspend or extend the Annual General Meeting, when technical or security reasons so require or justify.

- Storing the electronic signature: Shareholders (or their representatives) are solely responsible for storing and using their electronic signature.
- Incidents: the Company shall not be liable for any damages or losses incurred by the shareholder (or their representative) resulting from the temporary unavailability of its website, as well as from any malfunctions, overloads, line disruptions, connection failures, or any other similar circumstances beyond the Company's control, which may prevent or hinder the use of electronic mechanisms. Therefore, such circumstances shall not constitute illegitimate deprivation of shareholder attendance or participation rights.

REPRESENTATION AND VOTING BY MEANS OF REMOTE COMMUNICATION PRIOR TO THE ANNUAL GENERAL MEETING

The Board of Directors, pursuant to the authorization granted by Articles 9 and 16 of the Regulations for the Annual General Meeting, has authorized the following procedure for the exercise of the rights of representation and voting by means of remote communication prior to the Annual General Meeting.

The right to attend the Annual General Meeting may be delegated to another person, who may or may not be a shareholder. Representation must be conferred in a special capacity for each Annual General Meeting by any of the means outlined below.

➤ **Voting prior to the Annual General Meeting**

Shareholders may exercise their right to vote prior to the Annual General Meeting, without the need to attend the Annual General Meeting, by using any of the following means. Shareholders who cast their votes in this way shall be considered present for the purposes of the constitution of the Annual General Meeting.

➤ **Means to grant representation and cast votes prior to the Annual General Meeting**

- Postal mail

Representation/voting shall be conducted by completing the proxy voting card or absentee ballot card issued by the depository institution or made available to shareholders by the Company through its corporate website (www.mapfre.com) in the section concerning the Annual General Meeting.

The original card, duly completed and signed, must be sent by postal mail to the registered office (Carretera de Pozuelo, No. 52, Building 1, 28222-Majadahonda, Madrid, Spain), for the attention of the General Counsel, accompanied by a photocopy of an official document certifying the identity of the shareholder. In the case of a legal entity, a copy of the document that accredits the representation of the individual signing the postal voting form on its behalf must also be sent.

– Online through the Company's website

Delegation of representation/casting of votes may be made electronically through the system provided for this purpose on the Company's corporate website (www.mapfre.com). The website explains in detail the procedure to be followed by shareholders in order to exercise these rights. Shareholders must certify their identity using: (i) a valid electronic National Electronic Identity Document (DNI); (ii) a valid electronic certificate issued by the National Mint and Stamp Factory (*Fábrica Nacional de la Moneda y Timbre*, FNMT), with no revocation record; or (iii) the username/password credentials that the shareholder will receive from the Company at the email address provided when completing the credentials request form, available on the MAPFRE corporate website, after their identity is verified.

➤ **General rules for exercising proxy and voting rights via remote communication prior to the Annual General Meeting**

– Rights of representation and attendance: Shareholders exercising their rights of representation and voting by remote means of communication must have their shares entered in the corresponding accounting register five days prior to the Annual General Meeting.

– Legal entities with shareholders status: Shareholders who are legal entities and those who are not residents of Spain must contact the company via the email address juntageneral@mapfre.com to inquire about the possibility, where appropriate, of adapting the voting and delegation mechanisms remotely to their peculiarities with due guarantees.

Likewise, for legal entities with shareholder status, the Company reserves the right to require evidence of the sufficiency and validity of the power of attorney of the individual acting on behalf of the shareholder.

– Deadline for receipt by the Company: in order to be valid, votes conferred by any of the aforementioned remote means of communication must be received by the Company at least 24 hours in advance of the Annual General Meeting being held.

– Revocation and priority rules: representation and voting by remote means are always revocable, and must be revoked expressly and through the same means used for their issuing, within the time limit established for the said issuing.

Attendance at the Annual General Meeting, either in person or virtually, will nullify any votes cast or proxies granted that were previously communicated to the Company. No more than one proxy shall be permitted at the Annual General Meeting.

Likewise, voting will make any proxy (electronic or postal) ineffective, whether it be prior, which will be deemed revoked, or subsequent, which will be deemed not executed, regardless of the means used to cast the vote. In the

event that the shareholder cast various votes of different outcomes, or several proxies, electronically or by mail, the vote most recently cast will prevail.

- Filling out the absentee ballot card: in the event that the absentee ballot card does not indicate the direction of the shareholder's vote, it shall be understood in any case that the shareholder votes in favor of the proposed resolutions made by the Board of Directors for each item on the agenda published in the meeting notice.

SUSTAINABLE EVENT

The Annual General Shareholders' Meeting will be an event with sustainable certification according to the ISO 20121 standard, which means that its planning and development takes into account inclusive labor criteria and respect for diversity, as well as environmental protection.

Its objectives include, for example, promoting reduced consumption of resources such as water and energy; minimizing waste generation; and raising awareness of responsible consumption among attendees and the people involved. MAPFRE has also committed to driving inclusion, fostering equal opportunities and promoting accessibility.
